

Sponsorship Opportunities 2022 Season

The Port Jervis Farmers' Market operates every Saturday from June to October. Attracting an average of 2,200 people per season and hosting on average 15 vendors weekly, we bring a vibrant local scene to the city of Port Jervis. Largely supported by the vendors themselves and local residents, we are aiming to expand our community reach and local impact. Please help us on our mission. By becoming a sponsor through a tax-deductible contribution, you can help support the continuation and growth of the Port Jervis Farmers' Market.

Your contribution helps support our community!

- Enabling a showcase for small local farms and businesses
- Investing in Port Jervis's evolving community structure
- Money spent within the community, boosting the local economy
- Awareness and education on the benefits of healthy, local eating practices

Any and all donations help us to operate and grow the market. Please consider the various tiers offered for sponsorship and feel free to reach out with any questions regarding your business' specific needs.
